Slide 2- New Board Member

- Because of Erik's resignation, Dawson has been moved to the Area 2 LTG and Annie Jia has been added. Annie has been appointed to the Area 4 LTG. She sent out her Board Introduction on October 14th and it said:

Hello everyone!

I'm Annie Jia, your new Area 4 Lieutenant Governor! I'm very excited to have this opportunity to work with the district board. It's my hope that in the coming year, I'll get to know each of you, but to start, I thought I'd go ahead and introduce myself.

I go to school at Lincoln East High School in Lincoln, Nebraska. I'm involved in Speech and Debate, Future Business Leaders of America (FBLA), Science Olympiad, Science Bowl, and, of course, Key Club!

Now, for a long list of favorites: my favorite food would have to be pie, I'm liable to be found wearing some article of blue clothing at any point in time, I'm trying to find time to start Master of None by Aziz Ansari, my favorite movie is Inception, fall is the best season (I will fight anyone on this - fall's lovely!), I love being anywhere new, and I plan on double majoring in political science/international relations and some hard science like biology or physics!

As the year goes on, I'm sure we'll get to know each other as more than the list I just assaulted you with - and I look forward to that greatly!

Slide 3- Committee Involvement

N Committees Reports

DCON, Bianca- This committee was once headed by Erik, but after he resigned the chairman position was transferred to Bianca. She has also resigned and the position will now be given to Annie.

Membership, Carter- Hey all! So since Erik is no longer apart of the committee, we kinda lost a little bit of motivation and such so not much work has happened as of recent (last two weeks or so). We are planning a call for Tuesday night for moving forward from this set back. Our retention and expansion guide is almost finished and will be sent to you all for tweaks and edits soon. Also will Annie be filling in for Erik or what's the deal there? Otherwise I hope you're all doing great and I can't wait to see everyone on the 29th!

K- Family, Grace- Before Kelly resigned she visits clubs and talked to them about the K Family. Elizabeth has attended multiple events and talked about what Key Club is doing. I have also been visiting my Kiwanis Club regularly. We are all keeping up on our duties.

I Committee Reports

Policy Doc, Dawon- Our work right now has consisted of revising and adding to the NE-IA Policy Document. So far, we are almost done, but there is still more to do. The Policy Dcc has most of what we want in there, but it still needs more editing and revising. Since our last board meeting our group has not had a meeting yet. Our primary goal is to finalize the Policy Doc and this is a very achievable gal. Other goals are to make sure the document is clear and understandable, also to make sure we have everything that we need. After completing the Policy Doc, we would be more than glad to take on any other tasks the district needs help with.

Service, Tatum- For the service committee we have not had a recent meeting but we did decided our project for the October Board Meeting and I will send out an email as well as put it in my newsletter as we approach the meeting. Our project is for all LTG's to bring a \$5-10 gift for a teenager and Executives to bring a \$5-10 toy for a child (Ages 5-9).

International Partners, Samyukta- The International Partners committee has promoted the YOF Grant, Breakthrough, and Key Leader. We are doing service partner spotlights in the LTG Newsletters and communicating with the international trustee to stay updated on what needs to be marketed to members. We have not had any conference calls but are communicating strongly through GroupMe when something needs accomplished. Our goals for the future are to promote material for the HALO Movement, promote international's monthly focuses, promote Key Leader, promote submissions to International's service directory, promote ICON, and promote Trick-or-Treat for UNICEF.

Slide 4- RFC Reports

Des Moines- Elizabeth W.

Overall I think the Des Moines RFC went really well. We had 8 members from the Ames Key Club, 3 members from the Nevada Key Club and one member from North Polk. The Kiwanis advisor from Ames and the faculty advisor from Nevada also attended. I think one thing that helped so many Ames people know about the RFC was that I was able to go and visit their club and talk about it. The presentation seemed to be pretty informative for all of the attendees and they all seemed to enjoy the icebreakers we did, even though it took some encouragement to get involved. All attendees loved the cupcakes and volunteering with the animals. I was told several times by different people that this was a really good service project idea.

Cedar Rapids- Samyukta

The Cedar Rapids RFC had a turnout of 13 members all from Linn-Mar high school. The conference ran smooth with good timing. We used icebreakers to fill up extra time. The engagement with members was very successful especially during the service project. The board members and attendees got to know each other really well. The board members' enthusiasm encouraged enthusiasm from the members as well. The attendees really enjoyed the tape game and the service project. Some improvements for the future would be to give more background about what the District does, provide a more interactive presentation, have more supplies for service project and allow more time to complete it, give more information about how to be involved with the district, and give an explanation about what key club is. Some things that the Board members could do would be to do a better job marketing RFC, communicate better with other schools, plan the logistics better, make sure all supplies are organized ahead of time, practice the presentation and be more confident with the content, and delegate jobs more efficiently between board members.

Lincoln- Tatum

The Lincoln RFC went okay. We only had four members attend and this was quite frustrating. I believe this lack of participation was due to the latest resignation of Erik. Without him sending out updates and reminders I think that many people forgot. Even with only four people we were still able to have a lot of fun and all attendees were very involved. Our service project was playing games with the elderly at Tabitha. Tabitha only provided two senior citizens so it actually worked out really well that we had a small number. Having a small number also allowed me to have really good conversations about the district with the members that attended. I was a little disappointed by the numbers but everything worked out well and we were still able to do what we love best: serve!

Omaha- Dawson

The Omaha RFC went well but we lacked numbers. We only had 3 people show up and they were members from Bianca and Aschfian's Key Club. We went along with the program and that went great. For our service project we made dream catchers for the Children's miracle network in Omaha.

Slide 5- Workshops

- Be sure to let DA's know if you need anything for your presentation
- These workshops must be ready to present at the October Meeting. Do what it takes to get them done and prepared.
